

# TAHE MARINE LIFESTYLE 420 PE

## ABOUT LIFESTYLE 420 PE

---

Lifestyle 420 PE has truly proven itself successful and become a demanded kayak on the market. This kayak is suitable for smaller to medium sized paddler. The rather large cockpit provides a much easier entry to the kayak. Lifestyle 420 PE is equipped with two oval hatches for easier packing and access to Your equipment. The hull has been designed keeping initial stability in mind. In standard the kayak has a complete rudder set installed. Therefore we think that this is the kayak that is good for a beginner paddler to start his paddling career. The customers who choose their kayak from the Lifestyle series will be the most pleasantly surprised. With the oversized cockpits and increased stability, some may think these are just meant for beginners, but our design team has far exceeded expectations. Though these kayaks are extremely stable, they have exceptional handling and a surprising amount of speed.
