

ZEGUL ARROW NUKA MV PE

ABOUT ARROW NUKA MV PE

The new Arrow Nuka MV PE is a touring kayak for smaller paddlers who find the LV PE too tight.

The Nuka MV PE has slightly more volume and therefore some extra room and more comfortable fit. It has rounded hull for less resistance and less wet surface making it glide very well through the water. The Arrow Nuka MV PE is a touring kayak and has much practical deck line layout. The rear hatch is oval making it easy to load the kayak on overnight trips.

The MV PE has less rocker and more raking bow and stern which increases the waterline when loaded.

FEATURES

Material	PE
PCS	No
Length	505 cm (16'7")
Width	52 cm (20½")
volume	No
Capacity Approx	145 kg (320 lbs)
Cockpit	80 × 41 cm (34½" × 16")
