

ROBSON ROBSON FLUID FG

ABOUT ROBSON FLUID FG

Big, down turned blades for more positive power and less chance of catching on your boat in crucial moments. A slight dihedral profile lends control. Our most popular white water paddle, light & robust multilaminate fiberglass construction. The choice paddle for Freestyle moves & a favorite for big water.

Options: Straight shaft, ProLogic, one part/take apart

Colors: Yellow, Red, Green, Blue, Orange.

See the shaft lock types for take apart paddles [HERE](#)
