

TAHE MARINE WIND 535

ABOUT WIND 535

Wind 535 is a high performance sea and touring kayak, made for medium to large sized paddlers.

The larger cockpit size with thigh braces provides a good fit and grip during paddling. Paddle entry straps on the deck insure the easy re-entry. This high volume sea kayak is incredibly easy to maneuver and shallow V-shaped hull provides fast acceleration and high speed. Wind 535 kayak is equipped with two spacious oval hatches for easier storage in compartments and a mini-box for smaller equipment. Winds are an excellent choice for marathons, exercise trips and longer expeditions. Wind 535 comes with a rudder/skeg combination.
