# ZEGUL REVAL LV

#### ABOUT REVAL LV

Reval kayaks are British style kayaks with slightly more volume. Reval series kayaks have superb stability and performance in all sea conditions. Reval kayaks are responsive and really easy to turn. The hull is designed with rocker and upswept bow and stern. The initial stability of the Reval kayaks is a little higher, providing a secure feeling. Reval is a superb sea touring kayak suitable for paddlers who are looking for a nice British style kayak that can handle more challenging sea conditions. The kayak deck is equipped with 1 oval hatch, 1 round hatch (2 oval hatches for the Reval MV), a mini-box in the front and a day-hatch for easier access into the compartments.

The Reval LV is the lowest volume kayak in the series. LV is perfect for a medium sized paddler who wants to enjoy a roomier cockpit area. The LV cockpit with thigh braces provides an easier entry and good support.

The Reval series kayaks are equipped with a SmartTrack rudder and a retractable skeg. The Reval LV, MV and HV are all available in Zegul A-Core lay-up.

#### **FEATURES**
