

ZEGUL BARA

ABOUT BARA

Zegul Bara is a brand new mid-sized sea kayak that has been missing in the Arrow range.

This sea kayak can handle rough water and longer distances. It has good carrying capacity, is easily maneuverable and has a more solid platform. This model fits exactly in between of Nuka GT and Empower. It is designed keeping roomy cockpit in mind. The kayak suits well for a wide range of paddlers who need a high performance touring & expedition kayak. Several storage compartments allow You to load up all Your gear and the day hatch keeps Your essentials close while on the water.
